

## What's New

We will be selling a few of our rental homes. If you are interested in purchasing a home, or if you are renting a home from Spring Branch and would like to purchase, please contact Ben.

## **New Entrance Sign**

We have a new sign at the entrance of our community. It has contact info on the bottom if you ever need to call us or email us a concern. For more inquiries, visit our website at [www.springbranchmhc.com](http://www.springbranchmhc.com)

---

## **Winter Reminder**

Please pay attention to temperatures when they drop below freezing to avoid frozen pipes. We have put out our signs to help remind you. Please be mindful of your speed when entering and exiting our community. With the kids outside playing, we need to be alert to keep everyone safe.
